

MONTHLY HOROSCOPE

Virgo

So begins the final act of 2019. Focus on your reserves of diligence and compassion. Less resourceful and creative people will seek to divert you from your true course. Commit to your pursuits with humility. You are close to achieving something unspeakably magnificent.

Your lucky tunes:

Dancing Machine, The Jackson 5.

Success of the month:

You will realise that you enrich yourself in service of a great cause.

Potential downfall:

Being too critical of others for lacking skills you are fortunate enough to possess.
